

PRODUCT FEATURES

- ## PRODUCT SPECIFICATION

- 

The technical drawings illustrate the design of a water fountain assembly. The **Top view** shows a circular basin with an outer diameter of 370 and an inner diameter of 360. A central outlet has a diameter of $\varnothing 40$. The **Front view** shows the basin's height of 635 and a top width of 240. It details the water inlet, mounting brackets, and two 12mm diameter mounting holes (2x $\varnothing 12$) spaced 100 apart. The basin has a bottom diameter of 185. The **Side view** shows the fountain's profile against a finished wall, indicating a 2-inch PVC pipe and an outlet flange bracket. The total height from the ground to the top of the basin is 550, with a 380 height to the water level. The outlet is 405 high from the ground. Labels include 'Water inlet', 'Mounting brackets', 'Finished wall', 'Outlet flange bracket', '2" pvc pipe', 'Children: 380 (A)', 'Adult: 550 (A)', and 'FFL'.
